PART IV: Description of Proposed Project

Attach a description of the project that you plan to work on with the monies requested. Please include (a) an introduction to the nature of the project; (b) if the funds are meant to improve the design and delivery of a particular course, please explain the course and how the results of the project will improve student learning; (c) If the funds are meant to help develop an assignment or activity, to purchase software, etc., that can be applied to several courses, make it clear how the project will improve student learning in those classes; (d) a short justification for how the funds requested related to the project’s development; and (e) any plans you might have to disseminate the project’s results to a wider audience in your professional area (e.g., potential conference, possible publication, sharing with larger Berry College audience, etc.)

PART V: Curriculum Vitae

Attach an abbreviated CV of **no more than two single-spaced pages** that includes recently published work directly related to this project (if applicable).
